

Dear Parents and Students:

Attached you will find our Parent & Student Handbook for 2009-2010. We ask that this handbook be read by both students and their parents and that the bottom of this letter be signed and returned to school on or before the first day of school.

The Handbook is designed to acquaint students with the rules and regulations of Newmark High School and the basic principles upon which such policies have been developed. As you read through the Parent & Student Handbook, you will notice the common themes of respect, cooperation, honesty and trust as foundations for our rules and regulations. Likewise, our approach for dealing with disciplinary matters embraces these same themes.

Sincerely,

Dr. Fran Clemente
Principal

I certify that I have read the Parent & Student Handbook with my child and that he/she fully understands the contents. We understand that violating them will result in disciplinary action by Newmark High School, up to and including dismissal.
